

**PRE-APPROVAL NOTICE OF CLASS ACTION AUTHORIZATION AND
SETTLEMENT APPROVAL HEARING**

Quebec Superior Court file number: 500-06-000798-161

Read this notice carefully as it may affect your legal rights.

On July 4th, 2016, a Quebec consumer (the “**Representative Plaintiff**”) filed an Application to Authorize the Bringing of a Class Action and to Appoint the Status of Representative Plaintiff (the “Application to Authorize the Bringing of a Class Action”) against Netflix, Inc. (“**Netflix**”) and twenty-four (24) other defendants (collectively referred to hereinafter as the “**Defendants**”). In the Application to Authorize the Bringing of a Class Action, the Representative Plaintiff claims that the Defendants, including Netflix, carried on their business in violation of the Consumer Protection Act, CQLR, c. P-40.1 (the “**CPA**”) by requiring consumers who have benefited from a product or service at a reduced price or free of charge for a specific period of time to provide a notice indicating that they do not wish to obtain the goods or services at the regular price. In her proposed class action, the Representative Plaintiff sought compensatory and punitive damages against Netflix pursuant to section 272 CPA. Netflix denies that its business practices contravene the CPA in any way.

This notice is intended for consumers residing in Québec who (i) started a subscription to the Netflix service between July 4th, 2013 until July 17th, 2017 (the “**Class Period**”), (ii) who received a free trial and (iii) were automatically renewed at the regular price following the end of their free trial (the “**Class Members**”).

A Settlement has been reached for the benefit of Class Members.

A. WHO IS A SETTLEMENT CLASS MEMBER?

Settlement Class Members are Class Members residing in Québec who (i) started a subscription to the Netflix service during the Class Period, (ii) received a free trial, (iii) were automatically renewed at the regular price following the end of their free trial and (iv) subsequently cancelled their subscription to the Netflix service within two months following the end of their free trial period (the “**Settlement Class**”).

B. WHO IS A SUB-CLASS “A” MEMBER?

Sub-Class A Members are Settlement Class Members who cancelled their subscription to the Netflix service after September 18th, 2016.

C. WHO IS A SUB-CLASS “B” MEMBER?

Sub-Class B Members are Settlement Class Members who cancelled their subscription to the Netflix service on or before September 18th, 2016.

D. PURPOSE OF THIS NOTICE

The purpose of this notice is to advise you that, without any admission of liability whatsoever, Netflix and the Representative Plaintiff have reached a Settlement Agreement regarding any claims that Class Members have or may have against Netflix arising out of a violation of the CPA alleged in the Application to Authorize the Bringing of a Class Action. Pursuant to the Settlement Agreement, each Settlement Class Member shall be entitled to receive a refund equivalent to the subscription cost paid respectively by each Settlement Class Member during the one-month period that followed the end of their subscription to the Netflix service. Each Settlement Class Member may only be entitled to one refund regardless of the number of times that they have subscribed to the Netflix service during the Class Period or the number of times that they have cancelled their subscription to the Netflix service within two months of the end of a free trial period during the Class Period.

Netflix has discontinued the combination of free trials and automatic renewals at the end of the free trial period in Quebec as of July 17th, 2017. No admission of liability can be inferred from this discontinuance and Netflix remains free to, at any point in the future, introduce or re-introduce any business model or technical solution that it deems compliant with the Quebec legislation.

On October 27th, 2017, the parties presented the Court with a joint application to authorize the proposed class action for settlement purposes only. On November 1st, 2017, the Court authorized the Applicant to institute a class action in the judicial District of Montreal on behalf of the Class, for settlement purposes only (the “**Authorization Judgement**”), and identified the following principal issue to be dealt with collectively:

During the Class Period, did Netflix’s alleged practice violate paragraph c of section 230 of the CPA, and, if so, are Class Members entitled to compensation?

The Court has not taken a position as to the truth or merits of the claims or defences asserted by either side. The allegations made by the Representative Plaintiff have not been proven in Court.

If you are a Class Member, you have the right to seek intervenor status in the class action. Class Members cannot be ordered to pay legal costs arising from the class action.

A. CAN I OPT OUT OF THE CLASS?

Yes. If you do not wish to be part of the Class Action against Netflix and bound by the Netflix Settlement Agreement, you may opt out of the Class by March 15th, 2018, as determined by the Court in the Authorization Judgment (the “**Opt-Out Period**”) by informing the court clerk of the Montreal Courthouse of your choice to opt-out of the Class. E. WHAT IS THE DIFFERENCE BETWEEN SUB-CLASS A MEMBERS AND SUB-CLASS B MEMBERS?

Pursuant to the Settlement Agreement, Sub-Class A Members will be identified by Netflix based on retained subscriber data and Netflix will provide email contact information of such members to the person in charge of the management of the settlement claims (the “**Claim Administrator**”) who shall pre-approve them for a refund.

Sub-Class B Members shall be required to complete an online form and provide the Claim Administrator with proof that they are part of the Settlement Class in order to obtain a refund.

F. SETTLEMENT APPROVAL HEARING

On April 13, 2018, the Court will hear the parties’ application for approval of the Settlement Agreement and an application to approve Class Counsel’s fees (the “**Application for Approval**”).
